“Understanding the Present Time”

Romans 13:11-14

Pastor Ryan Rouse

I. It’s Time for God to Work!

-Man has made void the law of God. We need leaders who will take a stand for Jesus Christ.

II. It’s Time to Seek the Lord!

-The book of Hosea said we must break up the fallow ground of our hearts! We can’t afford to live unproductive lives.

III. It’s Time to Wake Up!

-Don’t be like a soldier who falls asleep at his post during battle.
